(1) The first and the most important step is your thesis. You need to make sure with your advisor whether your thesis is approved to be submitted.

(2) Please follow the order of the steps. After step 3, you still need 3 working days (holiday not included) to process your graduation certificate.

(3) IMPORTANT: The following offices do not accept urgent cases. If you cannot reserve enough time and complete the process before your flight date, you may not get your graduation successfully. So please make sure you reserve enough time for the whole leaving process.
