

National Taipei University of Nursing and Science Master Degree Student Leaving Process Guide 2022  
College of Health Technology

學號 Student ID :

姓名 Name :

電話 Phone Number :

地址 Address :

(1) The first and the most important step is your thesis. You need to make sure with your advisor whether your thesis is approved to be submitted.

(2) Please follow the order of the steps. After step 3, you still need 3 working days (holiday not included) to process your graduation certificate.

**(3) IMPORTANT: The following offices do not accept urgent cases. If you cannot reserve enough time and complete the process before your flight date, you may not get your graduation successfully. So please make sure you reserve enough time for the whole leaving process.**

1	就讀系所 Department	論文一份 Submit 1 copy of your thesis. 1. Please make sure to email your advisor to ask him/her to approve that you can upload your thesis to National Central Library 2. If your advisor approved your thesis, please make sure your advisor send you a confirmation email and copy the assistant in department. Only when the assistant receives the advisor's email, you could submit 1 copy of your thesis, a certificate of journal article submission and upload your thesis to National Central Library. (About how to upload thesis to National Central Library, please see the instruction shared in the google drive link.)	(助理簽章) Assistant Signature
		健科學院 College of Health Technology: B131 論文一份 1. Submit 1 copy of your thesis. 2. Confirm the color of the thesis cover for the copy with Nursing/Midwifery Department and submit 1 copy of your thesis. The department will also check whether your advisor approved your thesis for you to upload to National Central Library.	(助理簽章) Assistant Signature
